PROSPECTUS

An Educational Abode Of Motivated Teaching, Inspired Learning and Excelling with Innovation

A School with state-of-the-art Infrastructure and Modern Education Environment

THE SCHOOL Dear Parents

Welcome to Delhi Public School Pilibhit

Welcome to Delhi Public School Pilibhit. Welcome to the abode of intellect, where the purpose of education is to equip children with the most excellent technological proficiency; to empower them with the skills in order to realize his/her innate potential; to create the right climate so that the child may develop fully as a complete human being. At DELHI PUBLIC SCHOOL PILIBHIT one's intellect is transformed into an illuminated reflection of knowledge and broad outlook towards life.

DELHI PUBLIC SCHOOL PILIBHIT is a co-educational school, established to make children well-rounded and self-dependent individuals with a vision to empower knowledge & excellence along with an inculcation of Indian values and culture. The school is constructed on a sprawling and a green campus with splendid infrastructural facilities on a very prime location in the wide spread and progressing Pilibhit. The school is a quality and meaningful educational initiative by Vedanta Educational Trust Society . The Founders are Philanthropist, Social Benefactors, Achievers par excellence. They rose to eminence as persons of extraordinary commitment to duty and excellence.

They love children; joyously participate in myriad school events and encourage all with wholesome characteristic of their large heartedness. Their dream and conviction that Delhi Public School Pilibhit will prove its mettle as a vibrant, creative and trustworthy center of learning, excellence, values and innovation and is an epitome of inspiration to the growing society. Their legacy for unstinted effort and honesty of purpose lives on in the spirit of our school.

Beside this, the school management committee comprises of renowned educationists, jurists, engineers & administrators and promises to replicate the excellence that the other Delhi Public Schools in India and abroad have shown in providing a comprehensive education to its students.

It also promotes practical thinking in children, so they can learn through their cognitive and thinking skills and can relate to the world around them. The institution provides a broad range of activities, contents, approaches and learning opportunities which promotes each child to discover and develop their own strengths.

Our School caters students with varying intelligence, abilities, interests and skills. Thus, the curriculum is carefully curated to involve students with multiple learning styles. In essence, Delhi Public School Pilibhit is set to usher in a new era of education in Pilibhit.

The Delhi Public School Society: Attributing its Footprints to the Global World De novo since 1941 under the President's Estate as Church High School to Naveen Bharat School in 1947 and finally in the year 1949 at its present location on Mathura Road, DPS has traversed a prolonged flight.

For more than eight decades, the DPS society has constantly empowered humankind with its fine essence and intuition for a better place for all. Today it stands as a citadel of learning and a harbinger of quality consciousness, committed to developing the minds and initiatives of children.

The DPS Family, firmly believes that only quality education can lead one to the isle of success and social responsibilities. Over the years, the society has proved itself to be a role model to many schools in the field of education in India.

Delhi Public Schools have demonstrated their excellence over time. With focus on both scholastic and co-scholastic development of a student, we aim to be the change-maker for a better tomorrow. This is reflected not only by the results of its students in secondary and senior school examinations, but by the accomplishments of their alumni who are shining in various fields in the public as well as private sector.

Pro Vice Chairman
Delhi Public School Pilibhit

PRO VICE CHAIRMAN'S MESSAGE

"Knowledge is power, information is liberating, and education is the premise of progress in any society. It helps one in developing"

Throughout history, education has allowed the community to succeed both socially and economically. As rightly said by Nelson Mandela "Education is the most powerful weapon which can be used to change the world" I intend to make my vision a reality. It has always been my dream, to transform Pilibhit into a city of dreams and elevate it to new heights. The only obvious answer to this was to inculcate a culture of 'Quality Education', which allows our children to not only become successful in life, but also realize their duties and responsibilities towards the state and their fellow citizens.

As a parent myself, I know that our children are a precious gift that will build the future. It is with all this in mind that we bring to you Delhi Public School Pilibhit with state-of-the-art facilities that will help your children learn not just within the four walls of the classroom, but will also provide them an opportunity to develop in the most exciting and creative ways possible. We aim to provide a holistic learning experience; encouraging the individuality of our students and helping them realize their fullest potential.

The investment we put into our children today will help them achieve greater heights and create the unimaginable. I encourage you to put your faith in us and allow us to mould your child into the torch-bearer of success and help them take a step towards making a positive difference in their lives.

Mr. V.K. Shunglu
Chairman
Delhi Public School Pilibhit

I am happy that the school which has set up at Pilibhit, has announced admissions for its next academic session 2024-25. The school prospectus will enable the parents to make an informed decision regarding admission of their ward in the school. I wish school success!

DIRECTOR ADMINISTRATION'S MESSAGE

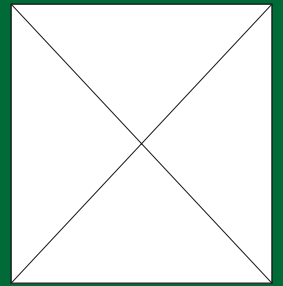

Dear Parents and Students,

DIRECTOR FINANCE'S MESSAGE

Dear Parents, Students, and Well-Wishers,

It is with immense pride and pleasure that I extend my warm greetings and welcome you to Delhi Public School Pilibhit, a beacon of excellence in education. This prospectus is your window into the world of opportunities that await our students within the nurturing and dynamic environment of our school.

At Delhi Public School Pilibhit we believe that education is not just about textbooks and examinations; it's a journey of exploration, self-discovery, and transformation. Our mission is to empower our students to become responsible, compassionate, and capable global citizens. As the Director Finance of this institution, I am committed to providing an enriching and holistic educational experience that fosters intellectual, emotional, and social growth. We have a dedicated team of educators who are not just teachers but also mentors and guides. Our curriculum is designed to nurture critical thinking, creativity, and problem-solving skills, equipping our students with the tools they need to thrive in an ever-changing world. We encourage students to dream big, set high goals, and work hard to achieve them.

Beyond academics, we offer a wide range of co-curricular activities and opportunities for sports, arts, and community service. Our aim is to help students discover their passions and talents, whether in the classroom, on the sports field, or on the stage. We believe in holistic development, where character, values, and leadership skills are as important as academic achievements. Thank you for considering Delhi Public School Pilibhit as your partner in your child's educational journey. We look forward to welcoming you and your family into our school community.

PRINCIPAL'S MESSAGE

"EVERY CHILD CAN LEARN AND BE SUCCESSFUL"

The core purpose of education is to provide children with a learning environment which brings out the best in them. We believe that every child is endowed with a unique set of attributes and abilities, which need to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence, all-round development, and ensures their well-being. We are inspired by these tenets in everything that we do at Delhi Public School Pilibhit.

At our school, we provide a learning environment that inspires and motivates children, and encourages them to explore limitless and endless possibilities in their quest for knowledge. Right from inception, our overarching goal is to make DPS Pilibhit, a HAPPY SCHOOL, where teaching is a pleasure and learning is a joy; where learning and excelling is a passion, and culture and values have pre-eminent place.

Our caring and committed teachers are our pillars of strength. They teach our children not just with mind but with their heart. They make learning enjoyable and rewarding, and imbibe in children the importance of sound values. Our excellent educational programmes are complimented by state-of-the-art facilities and resources, and our focus on sports and co-curricular opportunities facilitates children's holistic education. We aspire to lead our children with a global perspective but with an Indian mind, an Indian heart and an Indian soul. All these inspires us to continue to do our best, in preparing children for the 21st century. I welcome you all to an educational abode of motivated teaching, inspired learning and excelling with innovation. Best wishes with regards and gratitude.

Principal
DPS Pilibhit

Knowledge Imparting Mechanism (Teaching Practices & Methodologies)

- The teacher's responsibility lies in nurturing intrinsic motivation in each child.
- In the class room instead of only smart board teaching, the teacher builds concepts towards an overall idea.
- The teacher also restructures the knowledge by challenging the students' current ideas.
- Our Teacher uses different teaching approaches and personalised learning styles that are appropriate for each student.
- Understand each student's strengths and challenges as well as interests.
- Provide different context for students, and use different tools and media to engage student's different senses.
- Provide students with multiple ways to access content and the curriculum.
- Provide students with multiple ways to demonstrate knowledge and skills.
- Classroom teaching is augmented by digital technological tools. The digital modules consisting of 2D and 3D animations, graphics ensures faster and accurate understanding of abstract and difficult concepts and hence improves the academic performance of students.
- Concept of Subject Enrichment Activities, conceptual worksheets, active and experiential learning.
- Identifying learning patterns through Multiple Intelligence for primary section.
- Students explore the various facets of concepts by working in the laboratories.
- Through a process of intrinsic motivation, the students learn through talk, critical discussion, examination of evidence and argumentation. The students are motivated to excel in their examination and are trained specially to score outstanding grades in the CBSE examination. In the remedial and extra classes, they get special attention to improve their performance and are encouraged to discover their weak points.
- Collecting information, making innovative models, and working on projects helps them to have a deeper and clearer understanding of concepts. This also motivates them to expand their horizons and set out on an never-ending quest for knowledge and most importantly to enjoy the process of education.
- Continuous awareness and exposure towards Foundation and Competitive exams as per the child's need and ability conducted nationally and globally.
- Career Counselling to understand & gauge student's career needs, desires, and growth, also convince and prepare them for the most appropriate career options as per their ability.

E-Learning

The era of technology has made its way into our classrooms as well. It's an age where students rely more on computers and laptops for digital information than on textbooks for theoretical approaches. A student who is not familiar with the use of computers is indisputably missing out on the essence of computer as a tool of communication and creativity. Our spacious computer laboratory is furnished with all the requisite modern computers and other related resources. All branded computers come with

licensed software including MS Office and SCRATCH along with HTML, C, and C++ programming languages. The ERP Software (NLP) assists us in school management programmes which makes it easy for us to communicate important messages to parents instantly

CO- SCHOLASTIC PROGRAMME & STRUCTURE REFINING PERSONAL ATTRIBUTES PROGRAMME PHYSICAL, MENTAL & SOCIAL

Several skills and qualities that are instrumental to a child's holistic development are learnt outside the classroom. DPS Pilibhit has a mandatory co-curricular programme that fully supports a child's learning process. The programme has several modules, each of which comprises of several activities for different age groups. All students at DPS Pilibhit pursue different activities under each of these modules, based on their interests.

SPORTS AND GAMES

To keep the body in good health is a duty, for otherwise, we shall not be able to keep the lamp of wisdom, burning and keep young minds strong and clear.

Complementary to each other, sports and games are two aspects of development that are a quintessential part and parcel of a healthy existence. Our students are given the opportunity to indulge in various sports. We aspire to enable our students in maintaining a fit lifestyle. A refreshed and active mind stimulates openness and alertness of the mind.

At DPS Pilibhit, we hope to nourish our students for the challenges of the future, while simultaneously ensuring that their childhood is not swallowed up by the onslaught of the pressures of today's competitive world. In order to bring about a fuller development of the child's personality, considerable emphasis is laid on intra-mural and extra-curricular activities which challenge not only the physical but also the mental capabilities of our learners.

Undertaking meaningful field trips and excursions fosters the learners' imagination, creativity, and physical well-being. This module instils in students a spirit of healthy competition and teamwork. Athletics, Cricket, Football, Volleyball, Kho-Kho, Badminton, Chess, Table-Tennis, Basketball, Aerobics, Martial Arts, and Yoga are just a few of the activities offered at school, where qualified trainers and coaches monitor each child's progress.

PERFORMING ARTS

This module allows students to discover and nurture a creative spirit while learning. An involvement in Performing Arts helps students to increase academic discipline and provides them with a medium for self-expression.

Art, Craft, Music, Dance, Theatre, Short Film Making are few among the list.

CREATIVE INTERESTS

Pursuing hobbies and interests is a great way to enhance one's personality and discover hidden talents. The diverse mix of activities under this module ensures that every child finds something that is of interest to him/her.

Calligraphy, Clay Modelling, Drawing, Gardening, Origami, Painting, Pottery

PERSONALITY DEVELOPMENTS

The importance of inter-personal and communication skills cannot be undermined in today's competitive world. These need to be instilled in a person at a young age as it gets harder to acquire them as we grow older. The offerings under this module prepare students to handle challenging social and professional situations with confidence.

Debate, Elocution, Etiquette Building, Presentation Skills, Public Speaking, Reading

SERVICE INITIATIVES

In addition to becoming knowledgeable individuals, it is crucial for children to become responsible adults. Under this module, students are encouraged to put others' interests before their own and get involved in selfless service for the benefit of those around them.

Community Service, Environmental Protection, News Board Management, School Magazine, Periodic Newsletter, E-magazine.
